BLM  
Fillmore Field Office  
35 East 500 North  
Fillmore, UT 84631

Dear Ms. Wysong:

After reviewing all the information made available to us, we have made a decision at this time to purchase the material directly from the BLM under community pit permits rather than pursue mining claims for all quarries.

We have written to the Utah Division of Oil, Gas, and Mining requesting applications for large mine plans for future use.

Sincerely,

Philip N Levin  
President  
Levin Stone Co., Inc.
